Re: Trash/Recycling Update & Car Break-In Notice

Our Ref: CMI24/ELIZ176

Elizabeth residents-

As you may already know, there has been some issues regarding the services with trash and recycling. This is a city-wide concern with many Associations being affected and although Republic Services made several attempts to improve, there has been no action. The Board and CMI are currently working together to find a new waste company to resolve these issues.

On another note regarding safety and security, it was reported on Tuesday, May 8, 2018 at 6:58PM that a truck was broken into while parked in the Everett loading zone. The suspect was seen biking up and down the alleyway, scoping out the area.

If any suspicious activity is seen by a resident, it is encouraged to contact PPS or emergency services is necessary.

Please continue to be vigilant when entering and exiting the building, including parking garages.

If you should have any questions or concerns, please do not hesitate to contact our office at **503-233-0300**.
